Subject:Turning off the noise

This is so necessary. So important. |

Friend,

Politicians have spent too much time bickering and not enough time listening. Enough!

I want to hear from YOU.

I want to hear from the American heartland -- the REAL America that lives outside of the DC-media fantasy bubble.

Now that we've passed the six-month mark of our presidency, I want you to take the Listening to America Survey to tell me the true sentiments, concerns, and interests of REAL America.

The mainstream media and Hollywood love to tell you "how America is feeling." But they know nothing. They live in a world where you get to keep your job even if you fail to get anything done.

It's time to tune them out. It's time to shut off the noise and just LISTEN.

Just like on the campaign, I always like to go directly to the people. I asked our supporters to help prepare for our three big debates against Hillary. I asked what issues we should address. I asked for help creating our platform.

So please take this moment to turn off the very loud noise of Washington and take the Listening to America Survey.

Thank you,

Donald J. Trump

Tell Democrats: It's time to stop obstructing the AMERICAN PEOPLE'S MANDATE. |

Friend,

Democrats have absolutely NOTHING to offer our country.

After their BILLION-DOLLAR election loss, all Democrats have done is OBSTRUCT President Trump and maniacally scream the word "RUSSIA" until they're blue in the face.

They've sparked protests in the streets, refused to approve White House nominees, destroyed our health care system, and used the media to spew vicious rhetoric against the President.

ENOUGH!

Tell Democrats: It's time to stop obstructing the AMERICAN PEOPLE'S MANDATE.

[Add your name to our official petition now. >>](#)

By refusing to work with President Trump, Democrats are choosing to IGNORE the millions of Americans who voted for our America First platform last November.

Democrats had no problem rigging their primary against Bernie Sanders and his supporters -- and now they're choosing to strip the Silent Majority of their new-found voice in our country.

You will NEVER hear the media report this. But this is the truth that America needs to hear.

[Please sign our official petition telling Democrats to stop obstructing our America First agenda.](#)

It’s a 24/7 barrage of hit jobs, fake stories, and absolute hatred for everything we stand for as a movement.

Friend,

Politicians have spent too much time bickering and not enough time listening. Enough!

I want to hear from YOU.

I want to hear from the American heartland -- the REAL America that lives outside of the DC-media fantasy bubble.

Now that we've passed the six-month mark of our presidency, I want you to take the Listening to America Survey to tell me the true sentiments, concerns, and interests of REAL America.

The mainstream media and Hollywood love to tell you "how America is feeling." But they know nothing. They live in a world where you get to keep your job even if you fail to get anything done.

It's time to tune them out. It's time to shut off the noise and just LISTEN.

Just like on the campaign, I always like to go directly to the people. I asked our supporters to help prepare for our three big debates against Hillary. I asked what issues we should address. I asked for help creating our platform.

So please take this moment to turn off the very loud noise of Washington and take the Listening to America Survey.

Thank you,

Friend,

Democrats have absolutely NOTHING to offer our country.

After their BILLION-DOLLAR election loss, all Democrats have done is OBSTRUCT President Trump and maniacally scream the word "RUSSIA" until they're blue in the face.

They've sparked protests in the streets, refused to approve White House nominees, destroyed our health care system, and used the media to spew vicious rhetoric against the President.

ENOUGH!

Tell Democrats: It's time to stop obstructing the AMERICAN PEOPLE'S MANDATE.

[Add your name to our official petition now. >>](#)

By refusing to work with President Trump, Democrats are choosing to IGNORE the millions of Americans who voted for our America First platform last November.

Democrats had no problem rigging their primary against Bernie Sanders and his supporters -- and now they're choosing to strip the Silent Majority of their new-found voice in our country.

You will NEVER hear the media report this. But this is the truth that America needs to hear.

They have vowed to drag our nation through years of a phony witch-hunt without having a single piece of evidence -- and will use the mainstream media to distract from any mention of the President's achievements -- all in order to take down a constitutionally-elected president.

They're attempting to overturn the results of a national election to stop President Trump from delivering the change he promised the American people.

Friend,

Can you believe it? I’ve been in office now for six months, fighting back against the liberals and their crony agenda for YOU -- the Americans who have supported me through thick and thin.

DESPITE their endless lies and the flood of Fake News, we’ve accomplished so much already -- all thanks to YOUR incredible support. Together we’ve brought back thousands of jobs, fought back against radical Islamic terrorists, and scrapped the CORRUPT globalist deals that drain our wallets and weaken America.

But the Washington status quo HATES what we’re doing. They’ve made a lot of money off of business as usual. And now they’re fighting back...

That’s why I’m turning to YOU as our end-of-month deadline approaches, Friend. We must end the month STRONG.

You voted me into office to focus on the issues – unlike the FAKE NEWS media which only cares about peddling phony stories and lies that our movement is losing support.

We can’t let the opposition gain any ground. We MUST show them that their hateful bullying hasn’t weakened our resolve to work together for this beautiful country you and I love.

I'm reaching out to you personally to help us crush this goal and show the failing "journalists" at CNN and all the other liberals that they're nothing but Fake News and white noise.

They'll try to attack us no matter what, but when we PROVE YET AGAIN that you -- my loyal supporters -- are still behind our movement, **we will beat the clueless Democrats and the failing liberal news networks at their own game.**

Help us crush our End-of-Month goal to show the opposition that you, the American people, stand behind our America First Agenda by contributing \$100, \$50, \$35, \$15 or even \$5 today.

THANK YOU FOR STANDING BY MY SIDE!

Donald J. Trump

P.S. MAKE AMERICA GREAT AGAIN!

Desperate times call for desperate measures. |

Friend,

What Democrats are doing is unlike anything we've ever witnessed in American history.

They have vowed to drag our nation through years of a phony witch-hunt without having a single piece of evidence -- and will use the mainstream media to distract from any mention of the President's achievements -- all in order to take down a constitutionally-elected president.

They're attempting to overturn the results of a national election to stop President Trump from delivering the change he promised the American people.

Because we're going through such an unprecedented moment in American history, a group of loyal supporters are stepping up to **DOUBLE MATCH** all contributions made by TONIGHT at 11:59 PM.

Please make a contribution to help us fight back against these attacks and succeed in getting our message past this despicable witch-hunt.
